

GENBU-KAI GI ORDER FORM

Sensei Demura is ready to produce his own special, customized gi (uniform) that has the Genbu-Kai logo embroidered on the front. Sensei needs to gather orders for at least 200 gi's in order to place his first big batch order with the manufacturer. The prices listed below will work for this first batch (circa May 2007). We will let you know if the prices change for later orders. These are high quality gi's, and Sensei has kept the prices very, very low – these prices are much lower than you'll find elsewhere, especially with the embroidery included.

Instructors, if possible, please gather all of the orders your students have and get them to Sensei. Students, it is best for you to order through your Instructor. Do not send any money with the order form – you will pay when you receive your gi(s). Prices include tax.

Prices do NOT include shipping and handling for orders that need to be mailed – contact Sensei for shipping arrangements and costs. Any checks must be made out to JKF.
